

Covid Vaccination – Reasonable Adjustments Form

Please complete this form if you feel that you may need some support with having the Covid Vaccination. Tick the areas of support that you need and please add anything else to the blank section at the end. Please hand this form to a member of staff when you arrive at the vaccination centre.

Areas of Support	Please Tick
I may need additional reassurance due to anxiety	
I may need additional time to process information, the new environment and the process before receiving the vaccination	
I would like to discuss concerns over the vaccine with a member of staff	
I need a supporter to be present as would be unable to proceed having the vaccination without this	
I would like a member of staff to clearly explain each step of the process before having the vaccine, whilst having time to process this information and ask any questions	
I would like to ask some questions, but these may need to be written or typed on a phone rather than spoken	
I am mask exempt as unable to tolerate wearing a mask	
I can tolerate wearing a face shield as an alternative to a mask	
I need support with completing forms or reading forms	
I need to receive my vaccination in a quiet corner of the room	
Please ask me if I would like the area to be screened off	
To talk about my interests in _____ will help me feel calm	
If I need to wait after having the vaccination I would need support to let me know when I can leave, and give me an exact time I can leave	
I may need to use some fidget objects or my phone to help me remain calm	
Please add anything else that would help you here:
