

Covid Vaccine Reasonable Adjustments Care Plan

My name

My address

My date of birth

My NHS number

My GP

My GP address

Things you need to know about my health.....

Help I will need before I have the vaccine

Help I will need when I am having the vaccine

Help I will need after I have the vaccine

How was capacity and consent considered as part of the decision to have the Covid vaccine?

Who was involved?

Prompts for family members and care staff completing the plan

Help that I need before I have the vaccine

Things like.....

- Social Stories
- Desensitization / needle phobic packs
- Easy read information
- Emla (numbing cream)

Help that I need when I am having the vaccine

Things like.....

- Time of the appointment, how I manage waiting with others
- Will I need objects of reference, or a comforter, or a particular carer or a venue to have it?
- How can people reassure me and engage with me whilst I'm having the vaccine?
- Where I have the vaccine? GPs, home or other area

Help that I need after I have the vaccine

Things like.....

- Will I be able to wait after the vaccine?
- Will I need to do anything specific to help me unwind?

Use the traffic light boxes to complete the care plan.

Must happen

Extremely beneficial

Would be good if it could happen
